

Learning from Serious Case Reviews

The recent Serious Case Reviews undertaken in Wirral tell us we must:

- Share information across agencies to ensure services are targeted and co-ordinated
- Have a clear understanding of the thresholds of need
- Know where to access the WSCB multi-agency safeguarding procedures
- Escalate concerns if we feel a child remains at risk
- Take personal responsibility for professional excellence and accessing training
- Maintain healthy scepticism and respectful uncertainty in cases where abuse may be suspected
- Have access to reflective supervision to reduce the chances of errors

Safeguarding is Everyone's Responsibility....
