Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 6th January 2017.

You asked for information on Personal Health Budgets:

In relation to the current financial year (16/17) could you please provide me with information relating to the first ten occasions in which you sanctioned the use of a patient's Personal Health Budget (PHB) to be spent on something that was NOT for the provision of care, medicine, or transport to a place where care or medicine was provided.

For each of these ten occasions please state (i) what the money was spent on and (ii) how much money was spent on it and (iii) what was the outcome the patient was working towards as a result of this spend?

Our Response:

During 2016/17 (to date) there have not been any occasions in which NHS Wirral Clinical Commissioning Group (CCG) has applied sanctions for the use of a PHB to be spent on something that was NOT for the provision of care, medicine, or transport to a place where care or medicine was provided.
