Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 3rd January 2017.

You asked for information on X-Ray Pricing:

I am trying to find out what price other CCGs across the country have been using for the provision of community x-ray services and whether they have been applying the non-mandatory tariff which was £25 for 2016/17 (there doesn't appear to be any tariff either mandatory or non-mandatory for 2017/18). I believe NHS Wirral CCG undertook a procurement in Sept 2015 for diagnostic services and wondered whether you were able to share the price set just for the X-Ray service if this was to be paid by units of activity. I do understand however if you are unable to share this for example if there are commercial restrictions but I thought it would be useful to check with you.

Our Response:

NHS Wirral Clinical Commissioning Group (CCG) applies the non-mandatory national tariff for Direct Access Plain Film X-Ray per unit of activity and confirm that this is £25.00 for 2016/17. The national tariff will also be the payment mechanism for 2017/18.
