Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 20th January 2017.

You asked for information on Mental Health:

I am currently carrying out some research on mental health services. On your website there is some information about a mental health drop-in support service (expected launch date December 2015).

I wonder if you would be able to give me some more information on this (if it is running)? It would be great if you could tell me who it is for (groups of people that can access it and their ages), hours it is accessible and what the service offers in terms of advice/treatment.

Our Response:

NHS Wirral Clinical Commissioning Group (CCG) can confirm that this group no longer exists as the provider has ceased to operate. I would advise for you to contact Cheshire and Wirral Partnership NHS Foundation Trust (CWP) direct as the mental health services provider for Wirral and I have included their contact information below for you to contact them directly: FOI@cwps.nhs.uk

Apologies that this information had not been updated on our website. I have now liaised with our Communications Team and can advise that the website has been amended to reflect this.
