**Re: Freedom of Information Request**

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 27<sup>th</sup> September 2016.

**You asked for information regarding STP:****1. How Wirral CCG intends to carry out this urgent consultation and what form it will take**

NHS England recently published planning guidance which briefly references engagement and consultation (<https://www.england.nhs.uk/ourwork/futurenhs/deliver-forward-view/>) Details of the consultation are yet to emerge across the Cheshire and Merseyside STP area, but there will be a need to coordinate engagement at a local level (including the Wirral) with regards to the STP plan as it develops.

**2. When the consultation will start and end**

This is not clear at the present time, but details will be shared via the CCG's website and other outlets once details are agreed

**3. How the CCG will make sure that the public knows about it and can be fully involved in it**

Please refer to question 2

**4. Which local groups will be invited to contribute**

Please refer to question 2
