Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on the 4th February 2015.

You Asked:

- the number of patients treated outside hospital where congestive heart failure was recorded as a reason
- the number of patients treated in hospital where congestive heart failure was recorded as a reason

- the number of patients treated outside hospital for a urinary tract infection

- the number of unplanned admissions to hospital by patients, owing to a urinary tract infection
- for the above patients, the average number of nights they stayed in hospital after they were admitted
- the aggregate income received for treating these patients (this should be the same as the tariff for these patients multiplied by the number of patients multiplied by the average number of nights)

- the number of planned admissions to hospital by patients, owing to a urinary tract infection
- for the above patients, the average number of nights they stayed in hospital after they were admitted
- the aggregate income received for treating these patients (as above, this should be the same as the tariff for these patients multiplied by the number of patients multiplied by the average number of nights)

- the number of patients treated outside hospital for a blocked urinary catheter

- the number of unplanned admissions to hospital by patients, owing to a blocked urinary catheter
- for the above patients, the average number of nights they stayed in hospital after they were admitted
