Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on the 3rd December 2014.

You Asked for:

- **For the year 2013-14 to date please provide me with the total number of complex care packages paid for by the CCG for patients not cared for in nursing homes.**

The 'Omnibus' report by the Health & Social Care Information Centre (HSCIC) which collects top line activity information is published and the latest information can be found via the following link:

<http://www.hscic.gov.uk/article/2021/Website-Search?productid=14861&q=continuing+healthcare&sort=Relevance&size=10&page=1&rea=both#top>

Historic information from the 'Omnibus' report can be found via the following link:
<https://www.gov.uk/government/publications/nhs-continuing-healthcare>

- **Please let me know, when community services (e.g. District Nurses and Physiotherapists) are excluded, how many of those care packages are staffed entirely by Healthcare Assistants.**
- **For those care packages please provide me with the total number of Serious Incidents Grades 1 or 2 reported to the CCG.***

Unfortunately NHS Wirral Clinical Commissioning Group does not hold the information to the two queries above. I would advise for you to contact Wirral Community NHS Trust's FOI team direct on FOI@wirralct.nhs.uk who may be able to help.

- **How many of those Serious Incidents were filed by private sector agencies.**

Serious Incidents are not reported by this criteria.

I hope this sufficiently answers your FOI enquiry however if you require any further information please do not hesitate to contact a member of the FOI team (contact details at the top of this letter).
