Dear Mr Rainsford,

Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 14th October 2015.

You Asked for:

Under the Freedom of Information Act 2000 I seek to understand the expenditure on / procurement budget for the years 2010-2014 (inclusive) for NHS Wirral CCG, awarded to each of the following areas:

- i. Telehealth
- ii. Telecare
- iii. Digitally-enabled services for health and/or social care provision (if this includes a number of different elements then please include the breakdown into whichever categories you break it into)

Our Response:

Please find attached the completed spreadsheet which details the expenditure on procurement budget for telehealth, telecare for 2013/14 and 2014/15.

NHS Wirral Clinical Commissioning Group (CCG) did not exist prior to 1st April 2013 and therefore we are only able to provide this information for 2013/14 & 2014/15.

If you would like information for 2012/13, I would advise for you to contact the Department of Health Legacy Team direct on: reviews&informationteam@dh.gsi.gov.uk

All NHS Wirral Clinical Commissioning Group expenditure has been placed into Telehealth and Telecare services. The CCG outsources the procurement for services to North West Commissioning Support Unit (NWCSU) therefore it is not possible to identify for specific services as per the question.

Re- Use of Information

Most of the information that we provide in response to Freedom of Information Act 2000 requests will be subject to copyright protection. In most cases the copyright will be owned by Wirral Clinical Commissioning Group. The copyright in other information may be owned by another person or organisation, as indicated on the information itself.

You are free to use any information supplied for your own non-commercial research or private study purposes. The information may also be used for any other purpose allowed by a limitation or exception in copyright law, such as news reporting. However, any other type of re-use, for example by publishing the information in analogue or digital form, including on the internet, will require the permission of the copyright owner.
