Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 18th July 2016.

You asked a copy of the Better Care Fund (Lessons learned and action plan).

I can confirm that NHS Wirral Clinical Commissioning Group (CCG) does hold a copy this report and action plan, however, we believe this information is exempt from disclosure under section 22 of the Freedom of Information Act (information intended for future publication). This is because the information will be published at a future date, as part of our Governing Body meetings, which are held in public, on a bi-monthly basis. Therefore we will be applying Section 22 of the FOI Act. Section 22(1) states "Information is exempt if (a) the information is held by the public authority with a view to its publication, by the authority or any other person, at some future date (whether determined or not)".

You can find further information regarding Section 22 via the link below:

You may be interested to know that this information is due to be published at our Governing Body meeting to be held on 6th September 2016. The agenda and papers for this meeting will be published during the week of 30th August 2016 via the following link:

If you require any further information please do not hesitate to contact a member of the Corporate Affairs Team (contact details at the top of this letter).
