Re: Freedom of Information Request

In relation to your further query, as below, which was received by the Corporate Affairs Team on 28th September 2017:

You Asked for:

In each of the three years 2015, 2016 and 2017, how many children in Wirral have received over 20 hours' care a week funded under CCC?

Our Response:

We have liaised further with our Finance Team and Continuing Healthcare (CHC) Team who have advised that hourly care is not recorded by NHS Wirral Clinical Commissioning Group (CCG). We are however able to provide the number of packages allocated in the timeframes, but they are not broken down by hours.

The number of Children's Packages that started in each Financial Year are as follows:

2015/16	103
2016/17	103
2017/18 (to date)	68
