## **Re: Freedom of Information Request**

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 28<sup>th</sup> November 2017.

### **You Asked for:**

Information request – 1

Does Wirral CCG currently have a guideline in place for the use of Ursodeoxycholic acid 250mg TABLETS?

Information request – 2

If the answer is 'yes' to request 1, could you send me details of this guideline.

### **Our Response:**

Ursodeoxycholic acid is on the 'Medicines used across Wirral Health Economy' list so is available to use. However, to note, there is no guideline in place for the use of it.

We hope this information is useful, however if you require any further information please do not hesitate to contact a member of the Corporate Affairs Team (contact details at the top of this letter)

Yours sincerely

## Re- Use of Information

Most of the information that we provide in response to Freedom of Information Act 2000 requests will be subject to copyright protection. In most cases the copyright will be owned by Wirral Clinical Commissioning Group. The copyright in other information may be owned by another person or organisation, as indicated on the information itself.

You are free to use any information supplied for your own non-commercial research or private study purposes. The information may also be used for any other purpose allowed by a limitation or exception in copyright law, such as news reporting. However, any other type of re-use, for example by publishing the information in analogue or digital form, including on the internet, will require the permission of the copyright owner.
