Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 26th March, 2018.

You Asked for:

Information request

– 1

Does Wirral CCG have had (since 1st April 2013) a programme or scheme such as a 'Local Enhanced Service' or 'Local Incentive Scheme' in place with either your contracted primary care providers (GPs and community pharmacists) for Emergency Contraception?

Information request

– 2

If the answer is 'yes' to request 1, could you send me details of the programme or scheme.

Our Response:

NHS Wirral Clinical Commissioning Group (CCG) do not commission Sexual health Services; these services, on Wirral, are commissioned by Wirral Council. I would therefore advise for you to redirect your request to Wirral Council, details on how to do this can be found in the link below:

We hope this information is useful, however if you require any further information please do not hesitate to contact a member of the Corporate Affairs Team (contact details at the top of this letter)

Yours
sincerely
