## Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 25<sup>th</sup> May 2018.

### You Asked for:

Please can I have a copy of any policies pertaining to type 1 diabetes, especially those policies to do with access to education and continuous / flash glucose monitoring?

### Our Response:

Wirral policies pertaining to type 1 diabetes can be found on the Wirral Medicines Management website: <http://mm.wirral.nhs.uk/> within the guidelines section:

[High strength insulin risk minimisation strategy](#)

[Diabetes - Blood Glucose Monitoring at Home \(Adults\)](#)

NHS Wirral CCG are now part of Pan Mersey Area Prescribing Committee who last week have recommended Flash Libre glucose monitoring to be classified as Amber Recommended:

<http://www.panmerseyapc.nhs.uk/recommendations/documents/PS212.pdf>

This policy needs to now be ratified by NHS Wirral CCG which should occur within the next month. Until this occurs no prescribing should occur on the Wirral. Once ratified, the documents will appear on the Wirral Medicines Management Team website above.

We hope this information is useful, however if you require any further information please do not hesitate to contact a member of the Corporate Affairs Team (contact details at the top of this letter)

Yours sincerely

## Re- Use of Information

Most of the information that we provide in response to Freedom of Information Act 2000 requests will be subject to copyright protection. In most cases the copyright will be owned by Wirral Clinical Commissioning Group. The copyright in other information may be owned by another person or organisation, as indicated on the information itself.

You are free to use any information supplied for your own non-commercial research or private study purposes. The information may also be used for any other purpose allowed by a limitation or exception in copyright law, such as news reporting. However, any other type of re-use, for example by publishing the information in analogue or digital form, including on the internet, will require the permission of the copyright owner.
