Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on the 12th December 2018

You Asked for:

What incentive schemes your CCG/health board currently runs for general practices to reduce referrals with details about what they must achieve including any targets?

Our Response:

Primary Care Quality Scheme (2017-2019) - Ends 31st March 2019

Practices are funded to undertake clinical peer reviews to reduce clinically unnecessary GP referrals. A payment of £0.60 per registered patient is made to GP practices.

We hope this information is useful, however if you require any further information please do not hesitate to contact a member of the Corporate Affairs Team (contact details at the top of this letter)

Re- Use of Information

Most of the information that we provide in response to Freedom of Information Act 2000 requests will be subject to copyright protection. In most cases the copyright will be owned by Wirral Clinical Commissioning Group. The copyright in other information may be owned by another person or organisation, as indicated on the information itself.

You are free to use any information supplied for your own non-commercial research or private study purposes. The information may also be used for any other purpose allowed by a limitation or exception in copyright law, such as news reporting. However, any other type of re-use, for example by publishing the information in analogue or digital form, including on the internet, will require the permission of the copyright owner.

For information where the copyright is owned by Wirral Clinical Commissioning Group please e-mail foirequests.nhswirralccg@nhs.net to request a reuse licence.

For information where the copyright is owned by another person or organisation you must apply to the copyright owner to obtain their permission.
