Re: Freedom of Information Request – Infertility Services

Thank you for your request for information made under the Freedom of Information Act 2000, which was received into this office on 16th March 2020.

You Asked for:

I am writing to make a request in relation to the matter detailed below. Please disclose:

Re: Access to infertility services and assisted conception

- NHS Wirral Clinical Commissioning Group's (CCG's) full policy on assisted conception and infertility services, including all patient eligibility criteria.

Our Response:

Please see the attached report for further information.

We hope this information is useful, however if you require any further information please do not hesitate to contact a member of the Corporate Affairs Team (contact details at the top of this letter)

Re- Use of Information

Most of the information that we provide in response to Freedom of Information Act 2000 requests will be subject to copyright protection. In most cases the copyright will be owned by Wirral Clinical Commissioning Group. The copyright in other information may be owned by another person or organisation, as indicated on the information itself.

You are free to use any information supplied for your own non-commercial research or private study purposes. The information may also be used for any other purpose allowed by a limitation or exception in copyright law, such as news reporting. However, any other type of re-use, for example by publishing the information in analogue or digital form, including on the internet, will require the permission of the copyright owner.

For information where the copyright is owned by Wirral Clinical Commissioning Group please e-mail foirequests.nhswirralccg@nhs.net to request a reuse licence.

For information where the copyright is owned by another person or organisation you must apply to the copyright owner to obtain their permission.
