Dear all,

Apologies, I missed the Sunflower Unit Referral Form on Thursday.

I have updated the contact details for DNACPR forms - [REDACTED], can you ask for this to be updated on the website please.

Please can the following go to comms if Sian is happy with this.....

Thanks, [REDACTED]

Dear Colleagues,

Please see the attached electronic cremation form 4. This accepts a digital signature and can then be email directly to the funeral directors.

I have been asked to share Advance Care Planning documents which can be found linked below and are available on the CCG website

Advance Care Planning:

[Advance care planning Framework](#)

The Cheshire & Merseyside Palliative & End of Life Care Network (PEOLCN) commissioned the Marie Curie Palliative Care Institute Liverpool (MCPCIL) to develop a framework that will support health and social care staff, through enhanced skills, confidence and resources to incorporate Advance Care Planning conversations in everyday practice. This framework, which has been developed in collaboration with colleagues across the network, gives clear recommendations on how to make advance care planning a reality.

Dear [REDACTED],

Please can the following go out in the next Covid-19 comms.....

[REDACTED], is the contact for the purple DNACPR forms still correct?

[REDACTED], if the referral criteria and form for the Sunflower unit is ready could it all go out together?

Dear Colleagues,

Please see the attached electronic cremation form 4. This accepts a digital signature and can then be email directly to the funeral directors.
