Re: Freedom of Information Request - Mandatory training

Thank you for your request for information made under the Freedom of Information Act 2000, which was received into this office on the 14th February 2022.

You Asked for:

1. How much has been spent on training courses/qualifications for staff in the following categories, and how many people have undergone this training?
 - a. Mandatory training (includes E-Learning if applicable)
 - b. Level 5-7 Courses (includes E-Learning if applicable)
 - c. Level 2-4 Courses (includes E-Learning if applicable)
2. What departments deal with the provision of qualifications/courses and who is the lead for provisioning these courses?
3. Do you purchase any training from external training providers?

Our Response:

Unfortunately, it is not possible for NHS Wirral Clinical Commissioning Group (CCG) to provide the information in the format that is requested.

Mandatory Training for NHS Wirral CCG employees is provided by Midlands and Lancashire Commissioning Support Unit (MLCSU). The training is provided as part of an overarching IG Service Level Agreement (SLA). As such, there is no specified separate cost for provision of Mandatory Training nor are there marginal rates within the contract.

If you require any further information, please do not hesitate to contact a member of the Corporate Affairs Team, (contact details at the top of this letter).
