**Re: Freedom of Information Request - Additional roles reimbursement schemes (ARRS)**

Thank you for your request for information made under the Freedom of Information Act 2000, which was received into this office on the 26<sup>th</sup> May 2022.

**You Asked for:**

I am writing to request the following information under the Freedom of Information Act 2000:

In a previous request, you have indicated that NHS Wirral Clinical Commissioning Group (CCG) was allocated £4,467,000 for employing Additional Roles Reimbursement Scheme (ARRS) staff in 2021/2022.

1. How much of this budget did NHS Wirral CCG spend in 2021/2022?

**Our Response:**

1. £3,774,816.83. The Additional Roles Reimbursement Scheme budget is split between the Clinical Commissioning Group (CCG) baseline and centrally held funding. Therefore, once the spend is over the budget held by NHS Wirral CCG, there is a process to submit a return to drawdown from central held funding, held by NHS England.

We hope this information is useful, however, if you require any further information, please do not hesitate to contact a member of the Corporate Affairs Team, (contact details at the top of this letter).
