Dear,

**Re: Freedom of Information Act 2000
New Models of Integrated Primary & Community Care for Adults/Older
Adults with Severe Mental Illnesses**

Thank you for your information request indicated in bold below, which has now been considered under the Freedom of Information Act 2000 by NHS Cheshire & Merseyside Integrated Care Board (ICB). I am able to provide you with the following information and responses.

Please note from 01 July 2022, Clinical Commissioning Groups (CCGs) were disestablished, and their statutory functions and responsibilities inherited by NHS Cheshire and Merseyside ICB.

Your Request:

- 1) Could you please tell me if your integrated care system has received funding from NHS England to develop and begin delivering new models of integrated primary and community care for adults and older adults with severe mental illnesses (SMI)?**
- 2) Could you please tell me when it received the funding, or when it is set to receive it?**
- 3) Could you also please specify how much total funding the ICS has received for this purpose?**

Our Response:

1 - 3) Please find enclosed '[C&M Community Transformation Funding](#)' which details the funding amounts allocated from NHS England, the former CCG areas to which it was allocated to and the financial year during which it was received.

Your Request:

- 4) Could you also please provide a list of these models, specifying when they were established/are due to be established, the amount of funding allocated for each, and WTE staff approved for each?**

Our Response:

4) NHS Cheshire & Merseyside ICB does not hold information specifically detailing when models were established/due to be established by the providers in receipt of the enclosed NHS England allocations or the number of Whole Time Equivalent (WTE) staff approved for each within the providers.

The providers in receipt of the enclosed NHS England funding allocations in Cheshire & Merseyside are *Cheshire & Wirral Partnership NHS Foundation Trust* and *Mersey Care NHS Foundation Trust*. You may therefore wish to redirect your request for this information to these providers which are listed below along with their contact details for Freedom of Information requests:
